

Nikkei 225 and Nikkei 300 to publish component weights

Nikkei Inc. has published the component weights (each ratio in the index) of the Nikkei Stock Average (Nikkei 225) and Nikkei Stock Index 300 (Nikkei 300) respectively on the Nikkei index official website, "Nikkei Indexes". The weights were dated April 2nd 2014 when the latest rebalances became effective. The publication will be done in principle twice a year in April and October.
