Start of Calculation and Publication of Currency Hedged JPX-Nikkei Index 400

Japan Exchange Group, Inc. and Tokyo Stock Exchange, Inc. (collectively, “the JPX group”) and Nikkei Inc. (“Nikkei”) will begin calculating six currency hedged indices of the JPX-Nikkei Index 400 to improve convenience for foreign investors. Since the launch of the JPX-Nikkei Index 400 on January 6, 2014 by the JPX group and Nikkei, the index has drawn widespread interest from domestic and foreign investors and is today used as a benchmark for a variety of financial products. An outline of the six new currency hedged indices is provided below.
