Link Policy

- Users could link to the top page of the “Service”; however, in case of having a link, users need to contact [Nikkei](#) in advance with the information on details of the purpose for the usage as well as URLs and the contents on the linked websites.
- Depending on methods of the links or the contents of the linked websites, Nikkei might decline the links to the “Service” in cases of;
 - 1) Links to web pages that is unsuitable with the purpose of the “Service” e.g. for- profit or solicitation etc.
 - 2) Links to web pages where the contents on the “Service” could be seen as a part of the linked websites (e.g. a type of link where the linked page uses frame tags for taking the contents on the “Service”)
 - 3) Links to web pages that have possibilities of causing any damages or losing credibility of Nikkei’s businesses
 - 4) Links to specific pages other than the top page (except cases of obtaining permission from Nikkei)
- In case of having links, please describe clear expressions meaning that the webpages have been linked to the “Service”.
- In case of any troubles caused from the links, please handle any situations under responsibilities by persons, corporations or organizations etc who had the links. Nikkei may demand compensation for any loss, expense or damage directly or indirectly incurred by the linked pages.

Cookie Policy

- Nikkei and/or service provider may send data known as cookies to a User's device when they use this service. This data will be saved on the User's hard disk or memory. Cookies are used for purposes like log-in into subscription service "Premium Data Package", avoiding double transmission on contact page and analysis of website accesses.
- Please refer to the "cookie" section within the "help" menu of the browser you use for further details of "cookie". If a User chooses to enable cookies, this service will obtain related data from "cookie" on your device. If a User chooses to disable cookies, certain parts of the Service may not be available.
- Cookies used on this service do not contain personal information that can identify customers.
- For the analysis of website accesses, this service uses “Google Analytics” managed by

Google Inc., a third party. Please refer the links below for the privacy policy of Google and instructions on opting out from “Google Analytics”.
