

Nikkei 225's Divisor to Rise to 28.69055458

Nikkei Inc. will delete THE SHIZUOKA BANK, LTD (8355) from the components of the Nikkei Stock Average (Nikkei 225) and add NIDEC CORPORATION (6594) on September 29.

Accordingly, the divisor used to calculate the Nikkei 225 will rise to 28.69055458 from 28.45500000. The new divisor will be effective from opening on September 29.

Nikkei increased the number of digits after the decimal point of the Nikkei 225 divisor from 3 to 8 on July 19, 2022. However there has been no change which needs to adjust the divisor since then, the divisor has been theoretically unchanged.
