

Release of the IOSCO Principles compliance report

In July 2013, the International Organization of Securities Commissions (IOSCO) released the final report on “Principles for Financial Benchmarks” (“IOSCO Principles” or the “Principles”). IOSCO states in the report that the Principles are intended to promote the reliability of benchmark determinations and enhance benchmark governance, quality, and accountability mechanisms.

Nikkei Inc. (Nikkei) received assurance regarding the design and implementation of its responses for compliance with the Principles for the period from July 2011 to June 2021 from a neutral third party and released the Report on the following web page.
