

Consolidation of Nikkei's Asian Equity Indexes

November 9, 2023 – Nikkei Inc. will consolidate the calculation and maintenance of the Nikkei Asia300 Index, an equity index launched in December 2016 and the Nikkei Asia300 Investable Index (Nikkei Asia300i) launched in December 2017, which are composed of prominent companies in Asia, into the Nikkei Asia300i from January 2024.

Herewith we will cease the calculation of each index in the Nikkei Asia300 Index Series with the publication of index value on December 29, 2023. Information including past index values will remain available awhile on our website.

There are no changes to the constituents, eligibility criteria and calculation methodology of the Nikkei Asia300i associated with the consolidation.
