Circle K Sunkus to remain a component of Nikkei 500 for now

Circle K Sunkus (3337) will remain a component of the Nikkei 500 Stock Average for the time being, responding to its designation to "Stock under supervision" (i.e. Kanri Meigara) by the Tokyo Stock Exchange on February 16.

A decision will be made on whether to replace the stock as one of the Nikkei 500 based on a comprehensive assessment of the situation, including its takeover bid.
