

Removal from the Nikkei Asia300 Investable Index constituents

Nikkei Inc. will remove Global Logistics Properties from the Nikkei Asia300 Investable Index (Nikkei Asia300i), effective January 5, 2018 to reflect the delisting by Singapore Exchange.

The move will leave the index with 299 companies. Note that no stock will be added to the Nikkei Asia300i for this removal. As a result, the number of constituents may be less than 300 and the number will be back to 300 at the periodic review at the beginning of June.
