

Correction of Nikkei Climate 1.5°C Target Index since April 30, 2025

October 31, 2025 – Nikkei Inc. will correct the closing values of the Nikkei 225 Climate Change 1.5°C Target Index from April 30, 2025, to October 31, 2025. This is due to errors in some data when the divisor was adjusted following the constituent change conducted on April 30, 2025.

Please refer to the following file (CSV format) for the corrected closing values for each day. Note that only closing values are subject to correction.
