

Regarding the Capping Ratio of Advantest in Nikkei 225

January 30, 2026 – From the market open of April 1, 2026, Nikkei Inc. will apply a capping ratio of 0.9 to ADVANTEST CORPORATION (6857), a Nikkei Stock Average (Nikkei 225) constituent, due to exceeding the weight cap threshold (10%) as of the base date for this spring periodic review, which is the end of January.

Application/Revision of the capping ratio (April 1)

| Company | Current → New | Reason |
|----------------------------|---------------|-------------------------|
| 6857 ADVANTEST CORPORATION | Not set → 0.9 | Exceeding cap threshold |

For a constituent to which a capping ratio is applied, the price used in the index calculation of such a constituent is adjusted by “capped price adjustment factor”. Due to this application of the capping ratio, the capped price adjustment factor of Advantest will be 7.2 from April 1 (Current value is 8).
