

## Correction of Nikkei 225 Covered Call Index since September 16, 2025

March 6, 2026 – Nikkei Inc. has corrected the index values of the Nikkei 225 Covered Call Index from September 16, 2025, to March 5, 2026. This was due to an error in the method determining the strike price of the call option used in the index calculation.

Please refer to the following file (CSV format) for the corrected index values for each day. Note that there is no issue with the index values of the Nikkei 225 Covered Call ATM Index.
