Changes to the Nikkei Stock Average constituent

Nikkei Inc. and Nikkei Digital Media Inc. announce the following change to the Nikkei Stock Average to reflect the delisting of a current constituent.

1. Deletion

Shares of SKY Perfect Communications (4795) will be delisted on March 27 and will be deleted from the Nikkei Average on the same day. SKY Perfect Communications will establish a joint holding company with JSAT Corporation (9442). The new company is "SKY Perfect JSAT Corporation" (9412, Communications).

2. Addition

In accordance with the Component Selection Rules, the company succeeding the operations of the delisted company will be added. SKY Perfect JSAT Corporation will be added on April 3, the next business day of the listing day. The presumed par value of SKY Perfect JSAT Corporation will be 50,000 yen.

The Nikkei Average will be calculated with 224 stocks for 5 business days between March 27 and April 2. The divisor will be adjusted when the number of constituents changes to keep continuity in the index.
