Regarding the treatment of Oki Electric Industry in Nikkei indices

September 14, 2012
Nikkei Inc.

Nikkei Inc. keeps Oki Electric Industry (6703) as a constituent of the Nikkei Stock Average (Nikkei 225) and Nikkei 500 Stock Average following the decision by the Tokyo Stock Exchange to cancel the designation of “Securities under supervision (Kanri-Meigara)”.

Oki Electric Industry was assigned to “Kanri-Meigara” on August 8. On the same day, Nikkei announced to keep it as a constituent of the indices for the present and closely monitor the examination and decision of the Tokyo Stock Exchange.
