**Regarding the Reverse Stock Split of Mitsubishi Motors in Nikkei 225**

July 17, 2013

Nikkei Inc.

Mitsubishi Motors Corporation (7211), a Nikkei Stock Average (Nikkei 225) constituent, is planning a reverse stock split of 10 to 1. From its ex-right date of July 29, Nikkei Inc. will change the presumed par value of Mitsubishi Motors from 50yen to 500yen in line with its ratio of reverse split.

Since the price level of Mitsubishi Motors in Nikkei 225 will stay the same, the divisor will not be changed by this reverse split.

The same will be applied to the Nikkei 500 Stock Average (Nikkei 500).
