

Add Total Return Index and Net Total Return Index for JPX-Nikkei Index 400

Nikkei Inc. has added "JPX-Nikkei 400 Total Return Index" and "JPX-Nikkei 400 Net Total Return Index" to daily and monthly data file (CSV format) on the index public website, "Nikkei Indexes" as of January 4th, 2016.

The daily value of the Total Return Index and the Net Total Return Index have been added to the daily csv data file of the JPX-Nikkei 400 which contains the daily opening, high, low and closing value of the JPX-Nikkei 400. The monthly closing values of both indexes have also been added to the JPX-Nikkei 400 monthly data file.

The daily and monthly data files are accessible through index page of JPX-Nikkei 400 and "Download Center". The daily data file contains 3 years of daily index value and the monthly data file contains the 10 years of monthly index value.
