

**PRESS RELEASE**

a sample translation  
original release in Japanese

June 13, 2017

Nikkei Inc.

**Regarding the Stock Split and Reverse Stock Split of  
the Nikkei 225 Constituents**

NTT DATA Corporation (9613), ASAHI GLASS CO., LTD. (5201) and Nippon Electric Glass Co., Ltd. (5214), all of which are Nikkei Stock Average (Nikkei 225) constituents, are planning corporate actions (stock split and reverse stock split). From the morning of the ex-right date of June 28, Nikkei Inc. will change the presumed par value of these constituents as follows.

	Split / Rev Split	Current Par (Yen)	New Par (Yen)
NTT DATA (9613)	1 to 5 split	50	10
ASAHI GLASS (5201)	5 to 1 rev. split	50	250
Nippon Electric Glass (5214)	5 to 1 rev. split	100 / 3	500 / 3

Since the price level of these constituents in Nikkei 225 will stay the same, the divisor will not be changed by these corporate actions.
