

Change in file format for the list of “Presumed Par Value”

Nikkei Inc. changed a file format for the list of “Presumed Par Value” of the Nikkei 225 components from PDF to CSV provided on the official index website “Nikkei Indexes”. The list of par values used in the index calculation is updated afternoon of every trading day.

Along with this change, Nikkei has added the Nikkei Industrial Classification and the Sectors used in the Periodic Review of Nikkei 225 to this file.
