

## Nikkei launches Asia300 Investable Index on Dec 11

Nikkei Inc. will start to calculate and disseminate a new Asia-focused stock index for financial products, "Nikkei Asia300 Investable Index" on December 11, 2017. The index is made up of 300 companies from 10 Asian countries/regions selected using data such as market capitalization, trading value and sales growth rate. Its constituents will be reviewed once a year at the beginning of June.

The index will be published via The Nikkei, Nikkei's flagship Japanese newspaper, its online edition, Nikkei Asian Review (NAR) and other Nikkei's services. Further data such as constituents list and retroactive index values are provided on the following web page.
