Regarding PIONEER in Nikkei Indices

December 7, 2018  
Nikkei Inc.

Today, PIONEER CORPORATION (6773), which is a constituent of the Nikkei Stock Average, and the Nikkei 500 Stock Average, was appointed as a “Security under supervision” (Kanri stock) by the Tokyo Stock Exchange.

Although security under supervision is a deletion candidate under the Constituent Selection Rules, Nikkei Inc. keeps PIONEER as a constituent of the indices at this stage. Nikkei will carefully monitor the progress and decide the treatment of PIONEER in the indices accordingly.
