

Nikkei 225 component weights to be updated monthly

Nikkei Inc. changes the frequency of updates of the Nikkei 225 component weights provided on its official index website “Nikkei Indexes”. The weights as of the end of month will be updated in the evening of first business day of the next month. Currently, the weights are updated twice a year in early April and October.

Nikkei also changes a file format from PDF to CSV and adds the Nikkei Industrial Classification and the Sectors used in the Periodic Review of the Nikkei 225 to this file.
