

## Premium Data Package adds Nikkei ESG-REIT Index and Nikkei High Yield REIT Index

Nikkei Inc. has expanded the data files available in “Premium Data Package” (PDP), a subscription-based web data service as of July 20, 2020. From the day, the data files of the Nikkei ESG-REIT Index and the Nikkei High Yield REIT Index are available on its “Nikkei 225 Version”.

The subscribers of the PDP (Nikkei 225 Version) are able to download the various Nikkei index related data including Nikkei 225 as well as the other Nikkei indexes from the designated website and receive emails on the index related news such as changes in the constituents just after Nikkei’s announcements. The current subscribers can use the both new REIT index data files without the additional fee. The following table overviews the data file names and the contents.
