

Annual Review for Nikkei Japan 1000

Nikkei Inc. will make the following changes to the Nikkei Japan 1000 (Nikkei J1000) constituents and IWFs (Investable Weight Factors) after conducting the annual review. These changes will be effective from October 30th.

As a result of the annual review, 18 constituents will be deleted and 25 constituents will be added. As a result of the removal of Nichiigakkan Co., Ltd. (9792) on October 22 due to the designation to "Securities to be delisted" (Seiri Meigara), the number of the Nikkei J1000 constituents will be 993. The number of the constituents will be back to 1,000 after this replacement. Please note that if extraordinary removal event such as the designation to the "Securities to be delisted" occurs between today and October 30, such constituent will be removed in line with the extraordinary removal rule.

The IWFs of 41 constituents will be also changed. The 32 constituent IWFs will rise and the 9 constituent IWFs will fall.

The detailed information of the annual review such as the list of issues that are replaced or change IWFs is provided in the subsequent appendixes.
