

## Postponement of increase in digits after the decimal point of the Nikkei 225 divisor

Nikkei Inc. postpones increasing the number of digits after the decimal point of the divisor for the Nikkei 225 and other indexes planned on June 20, 2022. This treatment is due to the postponement of the system update which was scheduled to go live on June 20. The new effective date will be announced as soon as it has been decided.
