

Deletion from Nikkei Domestic Exposure 50 and Nikkei Global Exposure 50

On October 2, Nikkei Inc. will delete Matsui Securities Co., Ltd. (8628) from the constituents of the Nikkei 225 Domestic Exposure 50 Index (Nikkei Domestic Exposure 50) due to deletion from the Nikkei Stock Average (Nikkei 225) as a result of the periodic review. In addition, Nikkei Inc. will delete Nippon Sheet Glass Co., Ltd. (5202) from the constituents of the Nikkei 225 Global Exposure 50 Index (Nikkei Global Exposure 50) as well. When a constituent is removed from the Nikkei 225, the same constituent stock will also be deleted from the Nikkei Domestic Exposure 50 and/or the Nikkei Global Exposure 50 on the same date

Note that no stock will be added to Nikkei Domestic Exposure 50 and the Nikkei Global Exposure 50 when a constituent is removed not by periodic reviews. As a result, the number of constituents in both indexes will be less than 50. The number of the constituents will be back to 50 at the periodic review planned at the end of October.
