

## Premium Data Package adds Nikkei Consecutive Dividend Growth Stock Index and Nikkei Progressive and High Dividend Stock Index

November 1, 2023 – Nikkei Inc. has expanded the data files available in “Premium Data Package” (PDP), a subscription-based web data service as of November 1, 2023. From the day, the data files of the Nikkei Consecutive Dividend Growth Stock Index and the Nikkei Progressive and High Dividend Stock Index are available on its “Nikkei 225 Version”.

The subscribers of the PDP (Nikkei 225 Version) are able to download various Nikkei's index related data including Nikkei 225 as well as other Nikkei indexes from the designated website and receive emails on index related news such as changes in the constituents just after Nikkei's announcements. Current subscribers can use the data files of the two new indexes without any additional fee. The following table indicates the overviews of the respective data file and its contents.
