

## Revision of Pricing for “Premium Data Package” (Nikkei 225 Version)

October 16, 2024 – Nikkei Inc. will implement a pricing revision of its Premium Data Package (Nikkei 225 Version), an exclusive membership-based web service for financial professionals, effective October 2024. This service grants access to the Nikkei Indexes related data, including the constituent data of the Nikkei Stock Average (Nikkei 225) and other indexes. Under the new pricing structure, the annual subscription fee for up to two users will be set at 600,000 Japanese Yen, and the annual fee for the third user and each subsequent user will be 180,000 Japanese Yen each. More details can be found on the following webpage.
