

Nikkei 225's Divisor to Fall to 30.06422294

March 31, 2025 – Nikkei Inc. will delete Mitsubishi Logistics Corporation (9301) from the components of the Nikkei Stock Average (Nikkei 225) and add BayCurrent, Inc. (6532) on April 1.

Due to a revision of the capping ratio to Fast Retailing Co., Ltd. (9983) in addition to the replacements above, the divisor used to calculate the Nikkei 225 will fall to 30.06422294 from 30.41237984. The new divisor will be effective from opening on April 1.
