

Deletion from Nikkei Climate PAB Index

September 4, 2026 – On October 1, Nikkei Inc. will delete KONICA MINOLTA, INC. (4902) and ARCHION CORP. (543A) from the constituents of the Nikkei 225 Climate Change 1.5°C Target Index (EU PAB) (Nikkei Climate PAB Index) due to the deletion from the Nikkei Stock Average (Nikkei 225) as a result of the periodic review. When a constituent is removed from the Nikkei 225, the same constituent stock will also be deleted from the Nikkei Climate PAB Index on the same date.
