

Nikkei 225's Divisor to Fall to 29.83073565

September 29, 2026 – Nikkei Inc. will exclude Crasus Chemical Inc. (646A), which has been incorporated into the index calculation of the Nikkei 225 due to its spin-off from Resonac Holdings Corp. (4004), from the index calculation on September 30.

Due to the exclusion above, the divisor used to calculate the Nikkei 225 will fall to 29.83073565 from 29.83110217. The new divisor will be effective from opening on September 30.
